### **Advanced Practice Clinician Job Description**

**Full and part-time positions immediately available.**

**ACOI Incorporated d/b/a CARE** – Clinics for Abortion and Reproductive Excellence is searching for full time and part time Advanced Practice Clinicians to join our growing team of medical professionals. Your duties will include recording patients' medical histories, performing physical exams, administering diagnostic tests, and creating patient care plans. You will order and administer treatment and observe patients' functioning throughout their care. You will also assist with and provide all trimester abortion procedures.

To be successful as an advanced practice registered nurse, you should be empathic but resolute in your decision-making, and attentive to detail. At ACOI-CARE, a top-notch practitioner will exhibit cultural competence and exceptional teamwork skills. In addition, as a part of the ACOI - CARE TEAM you will assure every patient receives treatment with Kindness, Courtesy, Justice, Love, and Respect.

#### **Advanced Practice Clinician Duties:**

- Performing physical exams and patient observations.
- Recording patients' medical histories and symptoms.
- Creating patient care plans and contributing to existing ones.
- Ordering, administering, and analyzing diagnostic tests.
- Monitoring and operating medical equipment.
- Diagnosing health issues.
- Administering medicine and other treatments.
- Detecting changes in patients' health and modifying treatment plans, as needed.
- Consulting with healthcare professionals and patient's families.
- Educating patients and their families to manage and prevent illness and injury.
- Provide and assist with all trimester abortions and miscarriage management.
- Monitoring, Recovery, and Discharge of post abortion patients.

#### **Advanced Practice Clinician Requirements:**

- Master's degree from an accredited nursing or physician assistant program.
- Licensure in the state of Maryland or a compact party state and board-certified by either ANCC, AANP, or PANCE.
- APC authorization in the state of Maryland to practice in family health, midwifery or OB/GYN by the appropriate Board of Examiners.
- Prescriptive authorization including the ability to obtain Maryland and DEA controlled substance registration.
