### **Registered Nurse Job Description**

**Full and part-time positions immediately available.**

**ACOI Incorporated** d/b/a **CARE** – Clinics for Abortion and Reproductive Excellence is searching for full and part time Registered Nurses to join our growing team of medical professionals. Your duties will include reviewing patients' medical histories, performing physical exams, administering diagnostic tests, and creating patient care plans. You will administer treatment and monitor patients' responses throughout their care. You will also assist with all trimester abortion care.

ACOI Incorporated desires all our employees to be empathic, accountable, resolute in decision-making, and attentive to detail. We are searching for top-notch professionals that exhibit cultural competence and exceptional teamwork skills. In addition, as a part of the ACOI-CARE TEAM you will assure every patient receives their care with Kindness, Courtesy, Justice, Love, and Respect.

#### **Registered Nurse Duties:**

- Performing physical exams and patient observations.
- Reviewing and recording patients' medical histories and symptoms.
- Creating patient care plans and contributing to existing ones.
- Be available for the on-call schedule for the rare occasion that a patient returns after hours.
- Administering diagnostic tests.
- Perform trans-abdominal and trans-vaginal sonography. Training is available.
- Monitoring and using medical equipment.
- Administering medicine and other treatments.
- Detecting changes in patients' health and changing treatment plans, as needed.
- Consulting with other healthcare professionals and patient's families.
- Educating patients and their families to manage and prevent illness and injury.
- Aid with all trimester abortions and miscarriage management.
- Monitoring, Recovery, and Discharge of post abortion patients.

#### **Registered Nurse Requirements:**

- Associate's or bachelor's degree or Registered Nurse Certification from an accredited nursing program.
- RN licensure in the state of Maryland or a compact party state or with the ability to obtain a Maryland Registered Nurse License.
- Experience with primary, prenatal, gynecological care or labor and delivery as a Registered Nurse.
- Proficiency with medical instruments and equipment needed to perform your work.
